Group Portrait with Lady Heinrich Boll 2011-03-18 Cited by the Nobel Prize committee as the “crown” of Heinrich Böll’s work, the gripping story of Group Portrait With Lady unspools like a suspenseful documentary. Via a series of tense interviews, an unnamed narrator uncovers the story–past and present–of one of Böll’s most intriguing characters, the enigmatic Leni Pfeiffer, a struggling war widow. At the center of her struggle is her effort to prevent the demolition of her Cologne apartment building, a fight in which she is joined by a motley group of neighbors. Along with her illegitimate son, Lev, she becomes the nexus of a countercultural group rebelling against Germany’s dehumanizing past under the Nazis ... and what looks to be an equally dehumanizing future under capitalism.

The Clown Heinrich Boll 2010-12-15 Acclaimed entertainer Hans Schneir collapses when his beloved Marie leaves him because he won’t marry her within the Catholic Church. The desertion triggers a searing re-examination of his life—the loss of his sister during the war, the demands of his millionaire father and the hypocrisies of his mother, who first fought to “save” Germany from the Jews, then worked for “reconciliation” afterwards. Heinrich Böll’s gripping consideration of how to overcome guilt and live up to idealism—how to find something to believe in—gives stirring evidence of why he was such an unwelcome presence in post-War German consciousness . . . and why he was such a necessary one.

Heinrich Böll and Ireland Gisela Holfter 2011-07-12 Nobel Prize winning author Heinrich Böll’s Irisches Tagebuch (Irish Journal) which was first published in 1957, has been read by millions of German readers and has had an unsurpassed impact on the German image of Ireland. But there is much more to Heinrich Böll’s relationship with Ireland than the Irisches Tagebuch. In this new book, Böll scholar Gisela Holfter carefully charts Heinrich Böll’s personal and literary connections with Ireland and Irish literature from his reading Irish fairytales in early childhood, to establishing a second home on Achill Island and his and his wife Annemarie’s translations of numerous books by Irish authors such as Brendan Behan, J. M. Synge, G. B. Shaw, Flann O’Brien and Tomás O’Crohan. This book also examines the response in Ireland to Böll’s works, notably the controversy that ensued following the broadcast of his film Irland und seine Kinder (Children of Eire) in the 1960s. Heinrich Böll and Ireland offers new insights for students, academics and the general reader alike.

Children Are Civilians Too Heinrich Böll 1995 "These twenty-six stories illustrate Heinrich Boll's finely nuanced storytelling at its best. In stunning portraits of ordinary people, Boll creates a rich tapestry of the dark years in postwar Germany. There are tales of soldiers on leave, listlessly visiting bars and brothels; stories of children rendered with a simplicity that belies their emotional impact; and stark vignettes of people struggling to re-make their lives against the ruined landscape of war-devastated towns and villages. Representing Boll's youthful beginnings, this collection introduces the themes that inform his life-long literary accomplishments and the wit, intelligence, and lyricism that made Boll one of contemporary Europe's most acclaimed writers."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. As in The Clown or Billiards at Half-Past Nine, the stories in The Mad Dog demonstrate Böll’s early and continuing commitment to certain basic themes: the religious impulse toward meaning in the midst of human chaos, the hope love offers to those for whom all else seems lost, and the enduring possibility of an ethical core of action in a maelstrom of personal and political corruption.
