Best of Best Women's Erotica 2 Violet Blue 2010-02-09 Lovingly handpicked by Violet Blue, these stories are erotic gems, polished to perfection by an expert in erotica. The Best of Women's Erotica 2 is wildly sexy, super smart, and, highly readable. What makes an erotic story "best?" It has that something extra, and a good plot and characters that truly interest you and commands your interest during their trysts, triumphs, and erotic adventures. In the editor's own words, "The result of taking all five years' final selections, over one hundred stories, and choosing the very best--the ones I couldn't ever get out of my head, the ones that turned me (and others) on almost dangerously fast, like a match

to gasoline--was worth the wait." Steamy encounters include Adrie Santos' nervy, cautious "Paid for the Pleasure," which scratches more than one itch as a girl decides to let a man pay her--to receive oral sex. And, just when you think you have gender play all wrapped up in a nice and tidy bow, Lee Cairney's "Cruising" takes you trolling with a lesbian late at night in a park where she doesn't belong. What happens to her anonymously in public is as surprising as it is incendiary. Meanwhile, across town, Scarlett French is looking out her "Rear Window," watching her male neighbor and his trick provide full, explicit service for her to enjoy. These are just a few of the carnal classics in this best and boldest of all women's erotica.

Black Woman, White Knight Sarah Sethline 2019-07-07 Dash was the only man Jada had ever been with. Not only did she give him her heart, but also her first time. But what they shared together lacked passion -- it wasn't the heart-stopping, panty-dropping, heavy-panting kind of love Jada had always hoped for. She commits to Dash, anyway, underestimating the importance of being compatible between the sheets. Two years into their relationship, Jada meets up with some of Dash's work buddies at a bar. This is when she first lays eyes on Eric, her white stallion. He has so much more to say about life and the big issues compared to Dash, and Jada can't help but find this irresistibly sexy. She starts to wonder what it would feel like to have someone other than Dash take her, someone like Eric... * This is a steamy BWWM forbidden love interracial romance erotica. Warning: contains cheating as well as virgin sex and hot oral sex.

Delta Of Venus Anaïs Nin 2004-02-02 From influential feminist artist and essayist Anais Nin, Delta of Venus is one of the most important works of modern female erotica and "a joyous display of the erotic imagination" (The New York Times Book Review). Anais Nin pens a lush, magical world where the characters of her imagination possess the most universal of desires and exceptional of talents. Among these provocative stories, a Hungarian adventurer seduces wealthy women then vanishes with their money; a veiled woman selects strangers from a chic restaurant for private trysts; and a Parisian hatmaker named Mathilde leaves her husband for the opium dens of Peru. This is an extraordinarily rich and exotic collection from a master of erotic writing. "Inventive, sophisticated . . . highly elegant naughtiness."—Cosmopolitan

Chaos & the Geek Elizabeth Stevens 2020-01-31 Amber How do you politely refuse when the only guy to star in any of your dirty fantasies has just offered to put you up for the foreseeable future and your brother's just accepted like you were in fact still thirteen and couldn't make decisions for yourself? You don't. And, you end up with a roommate who wears a very good elegant mask over the rough and tumble, bad boy core I remember far too well. Only, it's ten years later and I'm even nerdier than I used to be. It's ten years later and I couldn't look worse. It's ten years later and I can't keep one guy. It's ten years later and my brother still teases me mercilessly in front of him. It's ten years later and Kit somehow looks even better than the guy I spent my formative years crushing on. So, there's not only the issue that he's my older brother's best friend, but also a sex-god this virgin can barely talk to. But that certainly never stopped me from drooling over him and it wouldn't stop me now. He's so far out of my league, I wouldn't even clean in his league. Except, there might just be a smouldering heat in Kit's eyes that suggests he's not quite as out of my league as I thought. Just maybe, this geek is about to get a whole lot of chaos. Kit When I find out about my best mate's little sister's situation, the offer is out of my mouth before I can stop it; Hawk's like a brother to me even if Amber's never looked twice at me. I could never tell if she was scared of me or hated me. But the deal is

done. She's going to bring her bedraggled self upstairs to my penthouse and live with me for as long as she needs. I see the pain she hides away, I see the lack of confidence despite how smart she is, how good. If there's something I've learned, it's that confidence makes all the difference. So, it becomes my mission to help Amber find her confidence. But I find more than confidence in her and suddenly I'm seeing my best mate's little sister completely differently. I've never known what to say to her. She's always been good and studious and sweet. She's always been so far out of my league I wouldn't even carry bags in that league. Her face is a mask that tells me nothing in between the sparse words that come out of her mouth. Except, there might be something in the way she smiles at me that gives me hope I'm not as far out of her league as I thought. It might just be time that this chaos gets a little geek. Please be aware that this story is set in Australia and therefore uses Australian English spelling and syntax.

Unfortunately, not only is The Red painted red, but it's in the red. Just as she realizes she has no choice but to sell it, a mysterious man comes in after closing time and makes her an offer: He will save The Red if she agrees to submit to him for the period of one year. The man is handsome, English, and terribly tempting...but surely her mother didn't mean for Mona to sell herself to a stranger. Then again, she did promise to do anything to save The Red... "The Red" is a novel of erotic fantasy from Tiffany Reisz, international bestselling author of "The Bourbon Thief" and the Original Sinners series.

Who Do You Love Jennifer Weiner 2015-08-11 From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two dotting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.
