patients. It begins with a baffling, seemingly minor set of symptoms, but builds relentlessly until it plunges its victims into insane, murderous rages. As she searches for clues to this deadly mystery, Abby's superiors make it clear her probing is unwelcome. Soon Abby will learn just how high the cost of the truth may be--and how far someone will go to keep a lethal secret. But she may not find the answer until it's too late to save her patients, her career...her life.

Moral Problems in Medicine Michael Palmer 2005-09 In His Important New Book, Michael Palmer, Assuming No Prior Philosophical knowledge on the part of the reader, examines the controversial issues of euthanasia, abortion and experimentation on humans and animals, as well as the

right to self-determination and the limits of confidentiality.
Blindsided Fern Michaels 2013-12-31 Count on the Sisterhood to skirt the law in the name of justice. From the #1 New York Times bestselling author of Gotcha! Myra Rutledge isn't ready to mothball the Sisterhood just yet. When Maggie Spitzer, former editor-in-chief of the Post and an honorary member of the Sisterhood, arrives with a new mission in mind, the Vigilantes are soon gathering in their war room once more. While catching up on each other's lives, they plan a brilliant campaign against a duo of corrupt judges running a moneymaking racket that sends young offenders to brutal boot camps, often on trumped-up charges. Their enemies are powerful and ruthless, but the Sisterhood have

their own formidable allies—including former President Martine Connor. Once their scheme takes off, the guilty won't know what hit them . . . Series praise “Spunky women who fight for truth, justice, and the American way.”—Fresh Fiction on Final Justice “Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands.”—Booklist on Weekend Warriors “Delectable . . . deliver[s] revenge that’s creatively swift and sweet, Michaels-style.”—Publishers Weekly on Hokus Pokus

The Second Opinion Michael Palmer
2009-02-17 Dr. Thea Sperelakis, diagnosed as a teen with Asperger's syndrome, has always been an outsider. She has a brilliant medical mind, and a remarkable recall of details, but her difficulty in

dealing with hidden agendas and interpersonal conflicts have led her to leave the complex, money-driven dynamics of the hospital, and to embrace working with the poor, embattled patients of Doctors Without Borders. Her father, Petros, is one of the most celebrated internal medicine specialists in the world, and the founder of the cutting-edge Sperelakis Center for Diagnostic Medicine at Boston's sprawling, powerful Beaumont Clinic. Thea's rewarding life in Africa is turned upside-down when Petros is severely injured by a hit-and-run driver. He is in the Beaumont ICU, in a deep coma. No one thinks he will survive. Thea must return home. Two of Petros' other children, both physicians, battle Thea and her eccentric brother, Dimitri, by demanding that

treatment for their father be withheld. As Thea uncovers the facts surrounding the disaster, it seems more and more to be no accident. Petros, himself, is the only witness. Who would want him dead? The answers are trapped in his brain . . . until he looks at Thea and begins slowly to blink a terrifying message. In *The Second Opinion*, Michael Palmer has created a cat-and-mouse game where one woman must confront a conspiracy of doctors to uncover an evil practice that touches every single person who ever has a medical test. With sympathetic characters and twists and betrayals that come from the most unlikely places, *The Second Opinion* will make you question...everything.

Oath of Office Michael Palmer
2012-02-14 Michael Palmer, the New

York Times bestselling author of *A Heartbeat Away* and *The Last Surgeon* brings us a shocking new thriller at the crossroads of politics and medicine. What if a well respected doctor inexplicably goes on a murderous rampage? When Dr. John Meacham goes on a shooting spree the office, his business partner, staff, and two patients are killed in the bloodbath. Then Meacham turns the gun on himself. The blame falls on Dr. Lou Welcome. Welcome worked with Meacham years before as a counselor after John's medical license had been revoked for drug addiction. Lou knew that John was an excellent doctor and deserved to be practicing medicine and fought hard for his license to be restored. After hearing the news of the violent outburst, Lou is in shock like everyone else, but mostly he's

incredulous. And when he begins to look into it further, the terrifying evidence he finds takes him down a path to an unspeakable conspiracy that seems to lead directly to the White House and those in the highest positions of power.

Side Effects Michael Palmer

* MYSTERIOUS DEATHS AND A HORRIFYING
SECRET THEY'LL STOP AT NOTHING TO
PROTECT Dr. Kate Bennett is a
brilliant young pathologist with a
loving husband and a bright future.
But her world is about to be turned
upside down. At the Omnicenter - a
high-tech health facility for women -
a strange and puzzling illness has
killed two patients. The illness has
no definite cause, let alone a cure.
When Kate is called in to investigate
the mysterious deaths, she stumbles

upon a terrible medical discovery which has its roots in one of the greatest evils in the history of humankind. Now her best friend has fallen ill and is presenting the same symptoms as the previous victims - and Kate must expose the sinister plot before it is too late. However, with powerful enemies and few friends, Dr. Bennett's disturbing discovery comes to threaten not only her career, but also her marriage, her sanity and her life.

Fatal Michael Palmer 2003 Returning to his Virginia home to investigate the tragic deaths of his wife and father, a young maverick doctor encounters a series of suspicious accidents that reveal a bizarre syndrome that could place countless lives at risk.

The First Family Michael Palmer

2018-04-17 The President's teenaged son is threatened by a potentially fatal illness that is rooted in dark secrets from a long-buried past. President Geoffrey Hilliard and his family live in the ever-present glare of the political limelight, with relentless scrutiny of their daily lives. The White House is not an easy place to grow up, so when the President's son Cam, a sixteen-year-old chess champion, experiences extreme fatigue, moodiness, and an uncharacteristic violent outburst, doctors are quick to dismiss his troubles as teen angst. But Secret Service agent Karen Ray, whose job is to guard the president's family with her life, is convinced Cam's issues are serious - serious enough to summon her physician ex-husband for a second opinion. Dr. Lee Blackwood's

concerns are dismissed by the president's team – until Cam gets sicker. Lee must make a diagnosis from a puzzling array of symptoms he's never seen before. His only clue is a patient named Susie Banks, a young musical prodigy who seems to be suffering from the same baffling condition as Cam. Hospitalized after an attempt on her life by a determined killer, Susie's jeopardy escalates as Cam's condition takes on a terrifying new dimension. Is someone trying to murder the President's son? As Lee and Karen race for a cure to Cam's mysterious and deadly disease, they begin to uncover betrayals that breach the highest levels of national security. Returning to the same Washington, DC setting of *The First Patient*, which former President Bill Clinton said

“captured the intense atmosphere of the White House,” *The First Family* is a riveting new medical drama from acclaimed novelist Daniel Palmer, in the tradition of his late father, New York Times bestselling novelist Michael Palmer. Praise for *The First Family*: “Terrifying and all too plausible—Daniel Palmer continues his father's tradition of delivering authentic and high-velocity medical suspense. The combination of medical chills and high-level Washington make *The First Family* irresistible.” —Joseph Finder, New York Times bestselling author of *Paranoia* and *The Switch* “Palmer's *The First Family* gives you likable characters to root for, a top-notch villain, and enough excitement to make your hair curl. Have fun with this thriller.” —Catherine Coulter, author of *The*

Devil's Triangle "Double the trouble, twice the action, and quadruple the enjoyment, this is a high-octane game changer." –Steve Berry, New York Times bestselling author of The Bishop's Pawn and The Lost Order "High-stakes and intelligent, The First Family is everything you want in a medical thriller. Chilling!" –Robert Dugoni #1 Amazon, Wall Street Journal and New York Times bestselling author of My Sisters Grave "The First Family is adrenaline-fueled entertainment that twists, turns, surprises and satisfies!" -John Lescroart, New York Times bestselling author "A Palmer novel transports you into the complex world of medical-legal-social ethics. The First Family doesn't disappoint, wrestling with the murky questions of what we can do versus what we should

do. Gripping." –Kathy Reichs, New York Times bestselling author and creator of Bones

Dark Rivers of the Heart Dean Koontz 2012 Two secretive, lonely people desperately flee a clandestine, illegal agency with a hidden fascist agenda, pursued by a vicious, insidiously evil operative with full access to the vast resources of the government.

The Last Surgeon Michael Palmer 2010-02-16 The New York Times bestselling author and master of medical suspense delivers another shocker of a thriller filled with insider details and a terrifying psychopath Four murders. Three accidents. Two suicides. One left... THE LAST SURGEON Michael Palmer's latest novel pits a flawed doctor against a ruthless psychopath, who

has made murder his art form. Dr. Nick Garrity, a vet suffering from PTSD—post traumatic stress disorder—spends his days and nights dispensing medical treatment from a mobile clinic to the homeless and disenfranchised in D.C. and Baltimore. In addition, he is constantly on the lookout for his war buddy Umberto Vasquez, who was plucked from the streets by the military four years ago for a secret mission and has not been seen since. Psych nurse Gillian Coates wants to find her sister's killer. She does not believe that Belle Coates, an ICU nurse, took her own life, even though every bit of evidence indicates that she did—every bit save one. Belle has left Gillian a subtle clue that connects her with Nick Garrity. Together, Nick and Gillian determine

that one-by-one, each of those in the operating room for a fatally botched case is dying. Their discoveries pit them against genius Franz Koller--the highly-paid master of the "non-kill"—the art of murder that does not look like murder. As Doctor and nurse move closer to finding the terrifying secret behind these killings, Koller has been given a new directive: his mission will not be complete until Gillian Coates and Garrity, the last surgeon, are dead.

Moral Problems Michael Palmer
1995-01-01 Moral Problems takes particular account of the needs of both teacher and student. It is not a compendium of ethical theories but a course book, providing the instructor, student, and general reader with a step-by-step introduction to the major ethical

theories. For each topic Palmer has provided a lengthy introduction and critique, comprehension exercises, essay questions, and an extensive bibliography. He relates each ethical theory to a contemporary issue, with an introductory discussion followed by excerpts from the original sources.

Natural Causes Michael Palmer 2011-01-05 "Reinvents the medical thriller."—Library Journal Dr. Sarah Baldwin races to a Boston hospital with a young woman whose normal labor has suddenly become a matter of life and death. As she struggles to save both mother and baby, she doesn't know that two other women have already died under horrifying identical circumstances. And so begins Sarah's own nightmare, as she learns that the prenatal herbal

vitamins she prescribed are the only thing these women have in common. Soon Sarah is fighting to save her career, her reputation—her life. For she's certain there must be some unknown factor linking these women, and as she gets closer to the truth, it becomes clear that someone will do anything—even murder—to keep a devastating secret.

Critical Judgment Michael Palmer 1998
As Dr. Abby Dolan searches for the cause of a mysterious malady driving her emergency room patients into a murderous rage, her superiors put her own life in peril. By the author of *The Silent Treatment*. Reprint. PW.
Fatal Michael Palmer 2003-09-30 From *The Sisterhood*, Michael Palmer's first New York Times bestseller, to *The Patient*, his ninth, reviewers have proclaimed him a master of medical suspense. Recognized around the world for original, topical, nail-biting suspense, emergency physician Palmer's work has been translated into more than thirty-five languages. Now he reaches controversial and startling new heights in a terrifying tale of cutting-edge microbiology, unbridled

greed, and murder, where either knowing too little or trusting too much can be FATAL. In Chicago, a pregnant cafeteria worker suffering nothing more malevolent than flu-like symptoms begins hemorrhaging from every part of her body. In Boston, a brilliant musician, her face disfigured by an unknown disease, rapidly descends into a lethal paranoia. In Belinda, West Virginia, a miner suddenly goes berserk, causing a cave-in that kills two of his co-workers. Finding the link between these events could prove FATAL. Five years ago, internist and emergency specialist Matt Rutledge returned to his West Virginia home to marry his high-school sweetheart and open a practice. He also had a score to settle. His father died while working for the Belinda Coal and Coke

Company, and Matt swore to expose the mine's health and safety violations. When his beloved Ginny succumbed to an unusual cancer, his campaign became even more bitterly personal. Now Matt has identified two bizarre cases of what he has dubbed the Belinda Syndrome--caused, he is certain, by the mine's careless disposal of toxic chemicals. All he needs is proof. Meanwhile, two women, unknown to one another, are drawn inexorably to Belinda, into Matt's life--and into mortal danger. Massachusetts coroner Nikki Solari comes to attend the funeral of her roommate, killed violently on a Boston street. Ellen Kroft, a retired schoolteacher from Maryland, seeks the remorseless killer who has threatened to destroy her and her family. Three strangers--Rutledge,

Solari, and Kroft--each hold one piece of a puzzle they must solve, and solve quickly. If they don't, it will be far more than just their own lives that are at risk. Michael Palmer has crafted a novel of breathtaking speed and medical intricacy where nothing is as it seems and one false step could be FATAL.

Acceptable Risk Robin Cook 1996-02-01
Robin Cook has always been on the cutting edge of the latest medical controversies. In *Acceptable Risk*, he confronts one of the most provocative issues of our time: personality-altering drugs and the complex moral questions they raise. Neuroscientist Edward Armstrong has managed to isolate a psychotropic drug with a strange and dark history--one that may account for the public hysteria

during the Salem witch trials. In a brilliant designer-drug transformation, it is developed into an antidepressant with truly startling therapeutic capabilities. But who can be sure the drug is safe for consumers? Who defines the boundaries of "normal" human behavior? And if the drug's side effects are proven to be dangerous--even terrifying--how far will the medical community go to alter their standards of...Acceptable Risk.

Host Robin Cook 2015-10-20 The explosive new thriller from New York Times--bestselling author and master of the medical thriller, Robin Cook. Lynn Peirce, a fourth-year medical student at South Carolina's Mason-Dixon University, thinks she has her life figured out. But when her otherwise healthy boyfriend, Carl,

enters the hospital for routine surgery, her neatly ordered life is thrown into total chaos. Carl fails to return to consciousness after the procedure, and an MRI confirms brain death. Devastated by Carl's condition, Lynn searches for answers. Convinced there's more to the story than what the authorities are willing to reveal, Lynn uses all her resources at Mason-Dixon--including her initially reluctant lab partner, Michael Pender--to hunt down evidence of medical error or malpractice. What she uncovers, however, is far more disturbing. Hospitals associated with Middleton Healthcare, including the Mason-Dixon Medical Center, have unnervingly high rates of unexplained anesthetic complications and patients contracting serious and terminal illness in the wake of routine

hospital admissions. When Lynn and Michael begin to receive death threats, they know they're into something bigger than either of them anticipated. They soon enter a desperate race against time for answers before shadowy forces behind Middleton Healthcare and their partner, Sidereal Pharmaceuticals, can put a stop to their efforts once and for all.

Michael Palmer Bxs Michael Palmer, M.D. 1996-10-01 Titles include The Sisterhood, Side Effects and Flashback.

Trauma Michael Palmer 2015-05-12 Quitting her residency after a tragic mistake, Dr. Carrie Bryant returns home to care for her combat veteran brother and pursues a experimental therapy for PTSD before teaming up with an investigative reporter to

find a missing patient.

Extreme Measures Michael Palmer 2011-01-26 Dr. Eric Najarian. He's young, talented, and ambitious. He has all the qualities they're looking for at White Memorial Hospital. He doesn't know he's being watched. Judged. An elite clique of medical professionals thinks he has what it takes to join their secret club. All the young doctor has to do is agree to play by their rules. But Eric has already seen too much. A missing corpse. An unspeakable mutilation. A brutal abduction. It's only the beginning of a plot of terrifying evil. A sinister plan the group will stop at nothing to hide. And if Eric refuses to become their colleague--he will be their next victim.

Cry In The Night Mary Higgins Clark 2011-11-29 Divorcee Jenny

MacPartland's struggle to support herself and her two small daughters is not helped by her irresponsible ex-husband. But suddenly a new man steps into her life. Rich, handsome Erich Krueger sweeps her off her feet and off to his mansion in the country.

The Fifth Vial Michael Palmer
2007-02-20 From the blockbuster, eleven-time New York Times bestselling author comes a novel of medical suspense that begins with these chilling questions: Who ends up with the blood samples you routinely give for tests? What else are they being used for? Why don't you know? Take a Deep Breath. . . . In Boston, a disgraced medical student is sent to deliver a research paper that could save her career. . . . Four thousand miles away, in a jungle

hospital in Cameroon, a brilliant, reclusive scientist, dying from an incurable disease that threatens to make each tortured breath his last, is on the verge of perfecting a serum that could save millions of lives, and bring others inestimable wealth. . . . In Chicago, a disillusioned private detective, on the way to his third career, is hired to determine the identify of a John Doe, killed on a Florida highway, with mysterious marks on his body. Three seemingly disconnected lives, surging unrelentingly toward one another. Three lives becoming irrevocably intertwined. Three lives in mounting peril, moving ever closer to the ultimate confrontation against a deadly secret society with godlike aspirations and roots in antiquity. Medical student. Scientist. Private

eye. Three people who will learn the deeper meanings of brilliance and madness, truth and deception, trust and betrayal. Three lives linked forever by a single vial of blood—the fifth vial.

The Sisterhood Michael Palmer
2011-01-12 "A suspenseful page-turner . . . jolts and entertains the reader."—Mary Higgins Clark
Inside Boston Doctors Hospital, patients are dying. In the glare of the operating room, they survive the surgeon's knife. But in the dark, hollow silence of the night, they die. Suddenly, inexplicable, horribly. A tough, bright doctor will risk his career—his very life—to unmask the terrifying mystery. A beautiful and dedicated young nurse unknowingly holds the answer. Together they will discover that no one is safe from . . .

. the sisterhood "Teriffic . . . a compelling suspense tale."—Clive Cussler

Flashback Michael Palmer 2011-01-26
Toby is eight years old. He had a routine operation. It was fine. Now he's gone home to terror. Months have passed. But Toby still bursts into tortured screams. Because something is very wrong. Toby can remember every moment of the operation. All the trauma. All the pain. He relives every horrifying detail of surgery while he's awake. Now someone must expose the unspeakable truth about this hospital. Or else an innocent child will die. And he won't be the last. The next victim is being wheeled into surgery right now.

A Heartbeat Away Michael Palmer
2011-08-02 Preparing to give a State of the Union address when a terrorist

group releases a deadly virus into the Capitol building, President James Allaire is forced to enlist the services of a virologist who has been wrongly imprisoned for suspected terrorist intentions.

Silent Treatment Michael Palmer
2011-01-05 In his five bestselling novels, from *The Sisterhood* to *Natural Causes*, physician Michael Palmer has drawn on years of firsthand emergency-room experience to create the drama of a frighteningly authentic world--a world where the line between medicine and murder is scalpel-thin. Now, in his most harrowing suspense novel yet, Palmer reveals how the power to heal can become a license to kill.... With his wife, Evie, scheduled for surgery the next day, Dr. Harry Corbett goes to the hospital for what

he hopes will be a quiet evening of reconciliation. In recent weeks Evie, never quick to share her feelings, has been more closed and distant than ever. But when Harry reaches Evie's room, it is too late for reconciliation. Shockingly, without warning, Evie is dead. The police suspect homicide. And their only suspect is Dr. Harry Corbett. Harry is not prepared for the stunning revelations that follow: His bright, beautiful, highly ambitious wife was leading a double life; she may have had dangerous secrets. But what secret could have been explosive enough to die for? Then the killer strikes again, boldly, tauntingly murdering one of Harry's favorite patients in such a way that only Harry knows the death was not natural. This time Harry is certain:

The killer, medically sophisticated, coolly arrogant, moving undetected through a busy urban hospital, could only be a doctor. And he wonders--how many more will die? Desperately Harry probes deeper, following the only clue Evie left. What he finds is a sinister pattern that threatens patients in every hospital in the city. Harry is engaged in a life-and-death battle of wits with a chillingly efficient monster. And until the doctor is unmasked, no patient is safe from his lethal silent treatment. Michael Palmer has done it again, delivering a no-holds-barred novel of medical intrigue-- a gripping thriller that features the most terrifying physician since Hannibal Lecter. *Silent Treatment* will keep your pulse racing from beginning to end

Wild Justice Phillip Margolin
2010-11-30 Inside a cabin tucked away in the Oregon woods a grisly scene awaits investigating police. Arrested soon after for the heinous crime, Vincent Cardoni—a brilliant surgeon with a history of violence and drug abuse—hires Portland's top attorney, Frank Jaffe, to defend him against a seemingly insurmountable pile of evidence. Jaffe's daughter, Amanda—a young lawyer getting her first taste of criminal defense—wonders whether she's representing an innocent man or using her considerable skills to set a monster free. Then Cardoni disappears under bizarre circumstances. Four years later the slaughter begins again. But is it Cardoni plying his gruesome trade, or the work of another equally brilliant, equally inspired killer?

And can Amanda and policeman Bobby Vasquez hunt the elusive maniac down before they themselves fall victim to a psychopath's terrible hunger?

Miracle Cure Michael Palmer

2011-01-05 The master of medical suspense takes you to prestigious Boston Heart Institute, where some patients are dying to get well "A highly entertaining tale of greed and medicine run amok."—Chicago Tribune After a troubled past, Dr. Brian Holbrook has been given a second chance to prove himself. At state-of-the-art Boston Heart Institute, he's been chosen to join the medical team testing a new miracle drug. The initial results are so promising that Brian pushes to get his father—who suffers from a dangerous heart condition—accepted into the study. But Brian is beginning to suspect his

superiors are hiding something. Why are crucial records disappearing? Why did a patient making startling progress suddenly die? Is the miracle drug a prescription for death? The answers could cost Brian more than his career. For at Boston Heart Institute, knowing too much is the quickest way to the morgue. Praise for *Miracle Cure* "Packs plenty of heart-stopping action."—Associated Press "A fast-paced lively thriller."—Boston Sunday Herald *Resistant* Michael Palmer 2014-05-20 Delivering a speech for his boss at a national conference in Atlanta, Dr. Lou Welcome takes an exclusive tour of the Centers for Disease Control and learns about the development of biological weapons before becoming enmeshed in a case involving the abduction of a leading scientist.

Desperate Daniel Palmer 2015-04-28

The answer to a parent's prayers becomes a nightmare in this "emotionally gripping" thriller of domestic suspense from the author of *Stolen* (Publishers Weekly). Gage Dekker still blames himself for the car accident that claimed the lives of his first wife and young son. Then he meets Anna, who understands that kind of grief all too well. Within a year, they are married and soon ready to become parents once more. But a miscarriage brings new heartbreak—until fate brings them Lily. Young, pregnant, and homeless, Lily agrees to give her baby to the Dekkers in exchange for financial support. With his wife happy and his career thriving, Gage feels a renewed

sense of hope. But something isn't right once Lily enters their lives. At work and at home, Gage is being sabotaged, first in subtle ways—then more sinister. Every attempt he makes to uncover the truth only drives a wedge between him and Anna. And even as he's propelled toward an unthinkable choice to save his marriage and his job, Gage discovers the most chilling revelations are still to come. "If you've somehow missed reading Daniel Palmer, it's time to—pardon the pun—get Desperate." —Harlan Coben

The Patient Michael Palmer 2011-01-12

His name is ARTIE, a miracle of bio-engineering that is about to transform the field of neurosurgery. Dr. Jessie Copeland knows him better than anyone else at Eastern Mass Medical Center- and knows it's too

soon to be using the tiny robot on a living patient's brain. But, Jessie's department chief is too busy to worry about such ethics. And neither of them has any idea that ARTIE will attract a patient from their worst nightmares. Claude Malloche is a master assassin, more rumor than man, for whom murder is an art. No one can identify his face. Now Malloche has a deadly brain tumor, and he intends to have the best neurosurgeon in the world operate on it. To ensure Jessie's cooperation, Malloche has devised a plan of intimidation that puts at risk her life and the lives of hundreds of innocent people. Neurosurgery requires nerves of steel, but in coming up with a scheme to fulfill her oath as a doctor while thwarting a diabolical killer, Jessie will be performing the most complex

surgery of her career- on a knife-edge of terror.

Godplayer Robin Cook 2000-09-01 Dr. Cassandra Kingsley is about to discover that neither her marriage nor her job is what she thought. And when she sets out to find the truth, it may just kill her.

The Sisterhood Michael Palmer 1982
When a suspicious number of patients start dying in the middle of the night, after supposedly successful surgeries, a lone doctor risks his life for a dedicated young nurse who unknowingly holds the answers.

Mr. Murder Dean Ray Koontz 2006
Mystery writer Marty Stillwater finds his life and family threatened by a psychotic killer professing to be the real Marty Stillwater, who embarks on a campaign to eliminate Marty and claim his family. Reissue.

Mortal Fear Robin Cook 1989-02-01 A harrowing medical nightmare on the cutting edge of genetic research, *Mortal Fear* goes into the controversial future of modern medicine. At a large Boston clinic, a world-class biologist stumbles upon a miraculous discovery, a major scientific breakthrough. Soon, healthy, middle-aged patients are dying of old age. And the ultimate experiment in terror begins...

The Society Michael Palmer 2004-08-17
With every one of his ten novels a New York Times bestseller, emergency medicine physician Michael Palmer is recognized by critics and fans worldwide as a master of medical suspense. Now Palmer delivers a relentless thriller that slices to our deepest fears with surgical precision—a tale as timely as it is

terrifying, as harrowing as it is plausible. Welcome to The Society. At the headquarters of Boston's Eastern Quality Health, the wealthy and powerful CEO is brutally murdered. She's not the first to die—nor the last. A vicious serial killer is on the loose and the victims have one thing in common: they are all high-profile executives in the managed care industry. Dr. Will Grant is an overworked and highly dedicated surgeon. He has experienced firsthand the outrages of a system that cares more about the bottom line than about the life-and-death issues of patients. As a member of the Hippocrates Society, Will seeks to reclaim the profession of medicine from the hundreds of companies profiting wildly by controlling the decisions that affect the delivery of

care. But the doctor's determination has attracted a dangerous zealot who will stop at nothing to make Will his ally. Soon Will is both a suspect and a victim, a pawn in a deadly endgame. Then, in one horrible moment, Will's professional and personal worlds are destroyed and his very life placed in peril. Rookie detective Patty Moriarity is in danger of being removed from her first big case—the managed care killings. To save her career, she has no choice but to risk trusting Will, knowing he may well be the killer she is hunting. Together they have little to go on except the knowledge that the assassin is vengeful, cunning, ruthless—and may not be working alone. That—and a cryptic message that grows longer with each murder: a message Grant and Moriarity must decipher if they don't

want to be the next victims.
Political Suicide Michael Palmer
2012-12-11 A massive cover-up gone
awry A prominent physician accused of
murder Uncovering the truth could put
the entire country at risk Dr. Gary
McHugh, known around Washington, D.C.
as the "society doc," calls his
longtime friend Dr. Lou Welcome in a
state of panic, certain he is about
to be arrested for murder. McHugh was
found in an alcoholic blackout in his
wrecked car after visiting a patient
of his, the powerful Chairman of the
House Armed Services Committee, Elias
Colston. Soon after McHugh leaves,
Colston's wife returns home to find
her husband shot to death in their
garage. McHugh has no recollection of
committing the crime and no one who
would possibly believe in his
innocence, other than Lou. As more

facts come to light, even Lou has
serious doubts. But something about
McHugh's story nags at him and as he
looks into matters, pieces of the
puzzle don't point to his friend's
guilt so definitively. With the help
of Sarah Cooper, an ambitious
attorney with her own reasons for
hating doctors, Lou finds himself at
the center of a deadly, high-level
conspiracy where the difference
between right and wrong is a matter
of interpretation, and the words
"whatever it takes" have a chilling
meaning. If Lou and Sarah don't
uncover the real reasons Colston is
dead, they may not survive
themselves, and the entire country
could be at risk for attacks that
could destroy the very fabric of
national security. Once again,
bestselling author Michael Palmer

proves that he is the king of suspense in this page-turning thriller, *Political Suicide*, set at the crossroads of politics, the military, and medical science. **Mercy** Daniel Palmer 2016-05-17 Dr. Julie Devereux is an outspoken advocate for the right to die –until a motorcycle accident leaves her fiancé, Sam Talbot, a quadriplegic. Sam begs to end his life, but Julie sees hope in a life together. With the help of an organization that opposes physician-assisted suicide, Julie has Sam coming around to her point of view when he suddenly dies from an unexpected heart attack. An autopsy reveals that Sam died of an unusual heart defect, one seen only in those under extreme stress –in fact, it appears that Sam had been

literally scared to death. As Julie investigates similar cases, she finds a frightening pattern...and finds herself the target of disturbing threats. The more cases Julie discovers, the more the threats escalate, until she is accused of a mercy killing of her own. To clear her name and save her career, she must track down whoever is behind these mysterious deaths...but time is running out as someone has decided that killing Julie is the only way to stop her. A riveting medical thriller, *Mercy* will leave readers breathless with twists and turns leading up to its explosive conclusion, from New York Times bestselling author Michael Palmer and his son, acclaimed suspense novelist Daniel Palmer.
